“SELECT has focused on what the competitors have missed — quick deliveries, competitive pricing and customer service. To say they are top-notch would be an understatement.”

— Indiana spec writer

Advantages: PIN & BARREL continuous hinges

- **Corrosion-Resistant Stainless Steel**
  Stainless steel pin & barrel design creates a tough, highly secure opening.

- **Templated Hole Pattern**
  SELECT hinges line up perfectly, precisely, every time. Makes installation easier and faster.

- **Dust-Free (Medical) Bearings**
  Prevent metal-to-metal contact and eliminate dust.

  *Exclusive standard (no upcharge) on all SELECT Pin & Barrel hinges.*

- **Variety of Finishes**
  Available in polished, brushed and painted finishes to match, contrast or accent your building’s design.

- **3-Hr. Fire Rating**
  Fire-rated out of the package. No extra parts to buy or install. No liability worries.

- **Stainless Steel Pin**
  Delivers high tensile strength by forming a strong, free-moving unit. Flexible and strong in abused openings.

- **End Caps**
  Spiral-knurled steel caps seal the barrel ends to contain hinge pin.
Specifications: PIN & BARREL continuous hinges

Concealed edge mount on doors up to 600 lb. No mortise required. For new construction or renovation/retrofit.

- **SL300**
  - Stainless steel
  - 1/8" door inset

- **SL305**
  - Stainless steel
  - Door guard
  - Adjusta-Screw™ fasteners included

- **SL200**
  - Carbon steel with gray powder coat primer
  - 1/8" door inset

- **SL315**
  - Stainless steel
  - Single edge guard

- **SL3500**
  - Extra heavy-duty 12 gauge stainless steel
  - Fits doors up to 4 ft. wide and up to 900 lb.
  - Meets ASTM F-1450A Abuse Test requirements
  - Hospital Tip Prep standard
  - 1/8" door inset

NEW!

Surface mount on existing or new door and frame. Suitable for renovation/retrofit or new construction. For doors weighing up to 600 lb.

- **SL302**
  - Stainless steel
  - Tamper-resistant leaf covers
  - Flush mount (no door inset)

- **SL305**
  - Stainless steel
  - Swing clear action
  - Tamper-resistant door leaf cover
  - 1/8" door inset

- **SL309**
  - Stainless steel
  - Mounts on door face and frame rabbet
  - 1/8" door inset

- **SL303**
  - Stainless steel
  - Tamper-resistant leaf cover
  - Mounts on door face and frame rabbet
  - 1/8" door inset

- **SL306**
  - Stainless steel
  - Mounts on frame face and door edge
  - Tamper-resistant frame leaf cover
  - Edge guard

Adjasta-Screw™ Fasteners
Remedy out-of-square doors and frames easily. Correct fit variances up to 3/8" along full length of door.
Specifications: PIN & BARREL continuous hinges

Provides maximum clearance for operating room and similar doors up to 600 lb. Door guard protects door at hinge edge.

SL308
- Stainless steel edge guard
- Adjusta-Screw™ fasteners available at extra cost
- Specify square or beveled door edge

Adjusta-Screw™ Fasteners
Remedy out-of-square doors and frames easily. Correct fit variances up to 3/8” along full length of door.
