SELECT Hangs Tough

“Over-enthusiastic” kids can wreck a toilet stall hinge in no time, forcing repeated repairs. SELECT toilet partition hinges outlast rough treatment and can be installed quickly and easily between pivot cutouts. Pair-Matched™ leaves make our hinges fit better so they last longer. Lifetime lubrication gives years of maintenance-free operation. Continuous hinge improves privacy.

Fix existing worn-out or vandalized toilet partition hinges for good. Or specify SELECT Hinges™ for new construction and avoid maintenance costs and headaches for life.
